

THE BATON OF HOPE UK WORKPLACE PLEDGE

Public Health North Lincolnshire has teamed up with the Baton of Hope UK, a national charity, to deliver the Workplace Pledge to local businesses / organisations in North Lincolnshire

This workplace pledge prioritises suicide awareness, prevention, and support in the workplace. It is designed to equip individuals and teams with the knowledge and skills to recognise signs of distress among employees.

Why do we need a workplace pledge?

6,000+
deaths by
suicide in UK
annually.

55% of all lost
working days,
annually in UK,
are due to acute
mental health
conditions.

Only **1 in 10**
employees
would be honest
about needing
a mental health
day.

1 in 3
will be
diagnosed with
a mental health
condition.

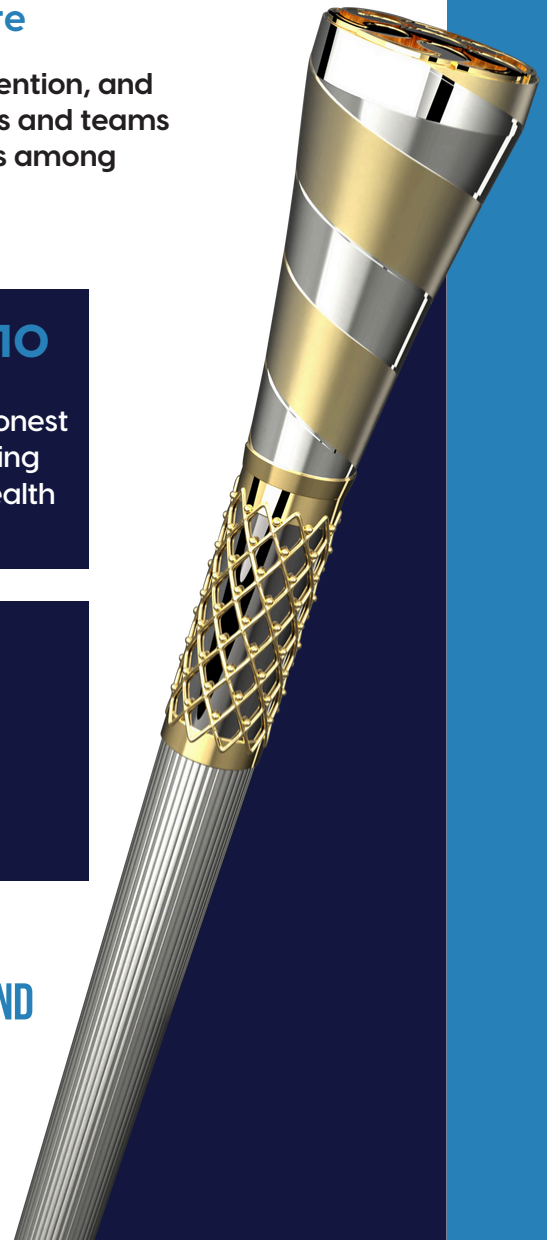

17 Million
lost working
days annually.

£56bn
cost to UK
businesses.

**THE NEED FOR ACTION ON MENTAL HEALTH IS URGENT AND
INDISPUTABLE. EMPHASIS MUST BE ON PROMOTION AND
PREVENTION.**

WORLD HEALTH ORGANISATION

We are piloting a number of funded places for businesses/organisations that wish to work towards the silver and gold award of the Workplace Pledge.

To be considered for a funded place on the scheme, please complete expression of interest form via the link below or by scanning the QR code
